Reaching Key Populations through HIV/SRH Integration

Opportunities for Impact

An AIDS 2012 satellite session presenting global experiences

Sunday
July 22, 2012
15:45-17:45
GV Session Room 1

As programmes and policies increasingly aim to integrate and link HIV and SRHR, the needs and rights of Key Populations—such as PLHIV, sex workers, MSM, transgenders, and people who use drugs—often remain unaddressed. Speakers will share their experience of developing and implementing HIV/SRHR integrated programming for key populations, highlighting lessons, challenges and recommendations for future policy and programme development.

Panelists:
• Nathalie Nkoume, Cameroon National Association for Family Welfare (CAMNAFAW)
• Sunita Grote, India HIV/AIDS Alliance
• Rahab Mwaniki, National Empowerment Network of People Living with HIV/AIDS in Kenya (NEPHAK)
• Clancy Broxton, USAID

Session chair: Paul De Lay, UNAIDS

Session organised by India HIV/AIDS Alliance with support from the European Commission.
